

# Selva Yoro

The Mayan spirits gather together and transform raw cocoa through a traditional method; a special processing when the beans have to absorb the liquids of the fresh pulp instead of letting them drain away. A slow process with close supervision in a closed solar tunnel leads to an aromatic cocoa with intense notes of wild valley flowers and thyme, coconut/almond milk, and sesame oil.

## Quality - Taste Notes

toasted bread, flowery herbal perfum, coffee pulp, yellow fruit notes, pink pepper, gin, nutty aftertaste

wild valley flowers, thyme, green, pink pepper, coconut/almond milk, sesame oil, mushroom
